# THE ANNUAL REPORT OF THE EXECUTIVE COMMITTEE.

---

The Executive Committee has pleasure in presenting the Thirty-fourth Annual Report of the Hospital.

It is with deep regret that the death of Mr. George Thomson is recorded. Mr. Thomson was the Founder of the Hospital in 1911, and its Chairman for many years. He was always untiring in his efforts to extend the influence and welfare of the institution. During the war years he resided at Torquay, where he passed away on the 7th June last. Mr. Thomson will be long remembered by all his colleagues.

Throughout the war period the work of the Hospital, notwithstanding many difficulties, has proceeded steadily and a satisfactory standard has been maintained. This has been due to the loyal co-operation of the members of the Staff who were not called upon to join the Services and to the Nursing Staff for continued devotion to their duties. The Committee desires to thank all for their work in these exceptional circumstances.

The serious war damage inflicted on both the Camden Road and Lewisham Park premises has seriously interfered with the activities of these Treatment centres.

The Committee regrets the necessity of closing the Camden Road Centre. Formerly situated at No. 31, Camden Road, it was the first Treatment Centre to be opened 35 years ago.

The treatment of school children from the London County Schools at the Lewisham Centre could not be fully resumed until later in the year. Good recovery is now being made in all branches of the work.

The Funds of the Hospital have continued to benefit from the support received from the Cinema proprietors through the Sunday opening of Cinemas. The further contribution received from Carreras Ltd. is also appreciated.

The President, Sir Norman Bennett, being unable to be present at the Thirty-third Annual Meeting held on the 5th July, 1945, the chair was occupied by the Vice-President, Mr. R. G. Heegaard Warner.

The Balance Sheet and Auditors' Report for the year ended 31st December, 1945, are appended, as also the statistical returns of the work carried out during the same period.

E. E. TURNER,  
*Chairman of the Executive Committee.*

April 13th, 1946.
